(b)(6)

Didi,

Monday March 5 at 5:30 pm is perfect, and I'll see you then.

And let's hope tomorrow happens as planned.

Glad you got the address; when I didn't hear from you I was afraid it might have disappeared into the great email ether.

All the best,
David

How did you know I was just thinking of you.

- I did not/not get your previous e-mail, so thanks for that; we really appreciate it.
- The WH session is still on as of now, and I encouraged them to keep it where it is!
- I just heard on a date/time for the Director: Monday, 5 March, 5:30 to 6:15. I sure hope that works; please let me know.

Regards, Didi

Didi,

Just wanted to check on two things: first, that you got [redacted] address (I've copied last week's email below) and (b)(6)
second that we are still on for Weds. at noon with the deputy director. And, of course, that we are on track with
the director.

cheers,
David

Didi,

Sorry this has taken so long. Turns out it's easier for Hezbollah to get missiles into Lebanon than it is for us to
get snail-mail there. So our foreign desk recommends that the best street address we have have is

[redacted]

Cambridge, Mass 02140

(b)(6)

if you want to also send her an image of the letter via email, it's [redacted] (b)(6)

When you get a moment today, can you let me know if we have a firm time for the Monday meeting with the
deputy director and Ben, and also if we've had any luck scheduling the Director? I'm around this weekend if that
helps.

All the best,
David

David – I really hate to bother you with this, but would you have an address to which the Director could send a
sympathy note to [redacted]? I phoned the bureau here, but I think my request probably got lost, or my e- (b)(6)
mail was wrong. Thanks, Didi
